(hereinafter "**PLANET**") and any company, firm or individual purchasing from PLANET (hereinafter the "**Buyer**") products (including any part and accessory thereof), services and/or materials (hereinafter the "**Products**").
- 1.2 Unless otherwise agreed in writing by the parties, these General Conditions shall apply to all sales of the Product by PLANET to the Buyer, and shall prevail over any other terms and condition of the Buyer, whether issued before or after the date of these General Conditions.
- 1.3 Any amendments to these General Conditions shall be valid only after PLANET has accepted them in writing as amending these General Conditions and forming an integral part thereof.

2. ORDERING PROCESS AND ORDER CONFIRMATION

- 2.1 Buyer may send requests of quotation to PLANET for the purchase of Products, any request of quotation shall be considered as an offer to purchase the Products and shall be sent to PLANET by e-mail, telefax or by the other appropriate means of communication agreed by the parties.
- 2.2 PLANET's quotations on sales of Products are issued without commitment and no undertakings, obligations or liabilities shall arise therefrom towards PLANET. PLANET's quotations shall be valid for a period of 90 (ninety) days from the date of issue or (if different) from the period specified therein and shall become ineffective if the Buyer does not accept the quotation within the above mentioned period by sending an order for the purchase of the Products (hereinafter the "**Order**") strictly consistent with the quotation.
- 2.3 The Agreement between PLANET and the Buyer (as per the following Section 3) shall be made only after the receipt by the Buyer of the written confirmation of the Order issued by PLANET (hereinafter the "**Order Confirmation**"). The Order Confirmation must be sent by e-mail, telefax or by other appropriate means of communication agreed by the parties.
- 2.4 Orders placed by the Buyer on PLANET are subject to a minimum value for each Order of Euro 250.00 + VAT (Italy) and Euro 500.00 (Export). Orders for a value below this amount are subject to a handling-fee of Euro 25.00.

3. AGREEMENT

The sale of the Products shall be regulated on an exclusive basis by these General Conditions, by the Order and by the Order Confirmation from PLANET, which shall jointly constitute the entire agreement governing the sale of the Products by PLANET to the Buyer ("**Agreement**") and shall prevail over any previous oral or written agreement between the parties having the same subject matter.

4. CANCELLATION AND CHANGES

- 4.1 Unless expressly accepted in writing by PLANET, the Buyer cannot cancel Orders already accepted by PLANET. The Buyer shall have the right to cancel an Order within 24 hours from the receipt of PLANET's Order Confirmation only if said Order Confirmation does not strictly comply with the content of the relevant Order from the Buyer.
- 4.2 Within 10 (ten) working-days from the issue of an Order Confirmation, PLANET shall be entitled to cancel the same in whole or in part and/or request the Buyer, if it deems it necessary, as a consequence of specific and proven events related to products' manufacturing and marketing or as a consequence of force majeure events, to approve the delivery of Products which deviate from those indicated in the relevant Order. Any cancellation of and any change to the Order Confirmation must be notified to the Buyer within the term indicated above by e-mail, telefax or by other appropriate means of communication agreed by the parties and the changes shall be effective only if accepted in writing by the Buyer, by e-mail, telefax or by the other appropriate means agreed by the parties, within a period of 7 (seven) working-days from PLANET's notification.

The terms of delivery shall commence after the consignment of technical information required to execute the Order. In any case, the terms of delivery are for reference purposes only and PLANET shall not be liable for any damage arising from any delay in delivering the Products. No delay shall be deemed to constitute a ground either to cancel the order or to claim damages or loss of profit; in addition, the Products may not be rejected for such reason. Where PLANET is responsible for the delivery charges, it may choose to deliver the Products in one or more instalments.
- 5.2 Unless expressly stated otherwise in the Order Confirmation, the Products shall be delivered on an ~~Ex Works~~ basis and the Buyer shall bear all the costs of delivery, insurance as well as any other charges related to the transport of the Products to the place of destination. 6. PRICE AND PAYMENT

- 6.1 Unless otherwise agreed in writing by the parties, the prices of the Products shall be the prices indicated in the Order Confirmation (prices in Euro, excluding VAT and any applicable duties).
- 6.2 PLANET reserve the right to amend the prices (list prices) at any time, providing notification is served to the Buyer, 2 (two) months in advance of such amendments taking place. The Buyer acknowledges and agrees that in the event of variations in the cost of raw materials, labor and ancillary items, which may be inferred from market quotations, PLANET may amend the prices of the Products, even where supply is already under way.
- 6.3 The Buyer shall pay the price of the Products pursuant to the terms and conditions of the Confirmation of Order. The Buyer may not set-off or withhold payment of any sum due under this Agreement, even in case of objections related to the Products or to the Agreement itself.
- 6.4 The payment terms pursuant to Section 6.3 are an integral part of the Agreement. If the Buyer fails to pay or delays in paying, in whole or in part, any invoice related to an Order:
- (i) interests shall accrue on the outstanding sums pursuant to the Legislative Decree 231/2002 and/or its subsequent amendments, in addition to any further damage and without prejudice to any other remedy available at law or under the Agreement;
